

2022 CHW EMPLOYER FORUM

Session 4: Sustainability of CHW Workforce

This final session will review key considerations for planning the sustainability of a CHW program within your organization. While funding is crucial to sustain a CHW program, this session will also cover topics such as hiring practices, scope of work, and CHW supervision, as well as offer feedback from CHWs on retention.

Agenda

- Presentation - Feedback from CHWs
- Resources for Sustainability
