

# GEOLOGY & HISTORY OF THE GETTYSBURG BATTLEFIELD

*Featuring Jeri Jones*

*September 15, 2025 8:30 am-4:30 pm*

*This trip is a fundraiser for The  
Glatfelter Oil Paintings and the  
1860 York County Atlas  
Restoration Project.*

## WHAT'S INCLUDED:

- Understand what rocks underlie the higher elevations and the valleys.
- Why were there so many stone walls built on the battlefield
- How difficult was it for the Confederates March one mile across Pickett's Charge?
- How old are the rocks on the battlefield?
- What route did the Confederates travel to get to Gettysburg?
- Why is Devil's Den so significant in geology?
- Did you know there are dinosaur footprints on the battlefield?
- Box Lunch, Coach Bus, Tips, and Gratuities

Jeri Jones is a well respected geologist in York County. He owns Jones Geological Services and enjoys educating the public on the wonders of the earth below us.

Only 36 seats available. Trip is all-weather. Some walking required. No refunds, transferable.

*Spring Grove Area Historical Preservation Society is a 501(c)3 non-profit. All proceeds of bus trip benefit The Glatfelter Oil Paintings and the 1860 Atlas Restoration Project.*

*Transportation provided by Bailey Coach.*

**PRICE \$100  
PER PERSON**
