

# SEEDLINGS OF HOPE CONE HARVESTING WORKDAY

**SATURDAY, SEPTEMBER 24, 2022 AT 9:00 AM**

## VOLUNTEERS NEEDED!

The Central Sierra Resiliency Fund's Seedlings of Hope program and its partners will be hosting a cone harvesting workday at the Museum of the Sierra.

Volunteers will assist CSRF in collecting seeds from Ponderosa, Jeffrey, and Sugar pinecones. These seeds will be sown at local nurseries in an effort to continue our reforestation efforts within the Fresno County footprint of the Creek Fire.

Lunch and water will be provided.

Closed-toe shoes, long pants, gloves, and sun protection are required.

For additional info and to RSVP email [rfvolunteers@sierrahistorical.org](mailto:rfvolunteers@sierrahistorical.org)
