Dear

We hope you will want to participate in the Indianapolis Symphony Orchestra Association's (ISOA) 2024 Spring Jubilee. This year's event will be held on Saturday, April 27, 2024 at the Dallara Indycar Factory.

All proceeds from the Spring Jubilee will support the Indianapolis Symphony Orchestra's **Metropolitan Youth Orchestra** (MYO). The MYO is a youth and family development program that provides life skills to students through the rehearsal and performance of music. For over 28 years, the MYO program has provided a safe and encouraging environment for students to develop healthy relationships to fulfill their potential and become successful adults. The primary goals of MYO are high school graduation and enrollment in a college or university program. The MYO has made an amazing difference for the students and families who participate.
