

Daughter's of Mercy Life Coach is based on Ruth, who was a foreigner in a land and had to make decisions with the life God had given her. Through a Godly friend, she was given a second chance.

Yes, there was a time when I (Laura) was ready to give up on life, but thanks to God's mercy I got through that time of life. I learned to set goals again and to love life. Even as a young girl who stuttered and couldn't talk, and had a father who was always sick, then later in life being told I wouldn't make it in college. I learned early on how to set goals, push through, and not let life stop me.

What you can expect from working together:

- Life is often messy and no roadmap to help you get through it. What we do have is Christ and the support of each other to help us get through those stages of life and to move on. In this group you will be encouraged to overcome the obstacles of life.

What you will get from Daughter's of Mercy Life Coach:

- As a member in the paid group, you will receive daily scripture, affirmations, motivations and more to guide you in your walk as a daughter of God; one who is beautiful both on the outside and inside. You are also free to post each day your struggles and what you need and together we help each other.
- 1:1 services are also offered as a way to make individual goals for your life and to have the accountability to keep you on track with the obstacles life brings.
- There are also workshop packages offered on 'Taking Care of Your Body, Both Inside and Out' and 'When the Inner Hard Drive Crashes'.

Daughter's of Mercy Life Coach group procedures:

- Prior to signing on for the group, schedule a complimentary 30 min chat to ensure you are a good fit and to find the best package to fit your needs.

Daughter's of Mercy investment:

- There are a variety of packages including workshops and/or the member accountability group.
- For your convenience, all major credit cards accepted.

I look forward to listening to you and guiding you through your present struggle as you reach your goals and potential in life.
