**Peter R. Breggin MD** is known as “The Conscience of Psychiatry” for his many decades of reform work in the the mental health field, but has now turned his attention to the misuse of science surrounding COVID-19 and its origins, in what he and his coauthor Ginger Breggin are calling assaults by "global predators." He is an intrepid scholar & methodical as he assembles all the pieces to the puzzle. His research, carried out with his wife Ginger, is impeccable, and his incisive approach sears the neck of those who seek to wield power and instill fear among the world's wealthiest nations. <https://bit.ly/3yxupNA>

**Jason Yates** has over 25 years of leadership in strategic planning, marketing and product development. In 2015, his passion to see Christians make a difference in their communities led him to leave corporate America and become CEO of My Faith Votes, whose mission continues to be motivating and equipping every Christian to Think, Pray, and Vote. Jason has served in leadership roles on several nonprofit boards, including as Chairman of Club Christ Ministries and Board Director at Junior Achievement. Jason has a BA from Carleton College and an MBA from the Carlson School of Management at the University of Minnesota. [www.myfaithvotes.org](http://www.myfaithvotes.org)
