**Rules for a weather shortened event**

Metro Atlanta Fastpitch will use the following to determine placement and refunds:

- If pool play is not complete, then no awards will be distributed.
- If in bracket play, the two highest seeded teams left in the winners' bracket will be placed first and second.
- Games are considered complete at the halfway point (ex. 70 min game at 36mins, 75 min game at 38 mins, etc). After that time, they will count in standings and for number of games played.
- Number of innings played has no effect in determining if a game is complete
