

June 26, 2024 – Day 2,111,707 of the Crisis of Identity

Subject: State of Theology

Title: We are a Nation of Laws!

In discussing the state of theology, and the latest statement #4 – God learns and adapts to different circumstances, true or false? This brings to mind the idea of laws or what the word law means, “instruction”. Our idea of law in society has simply taken on the identity of crime and punishment. That is because of what we have done with instruction or law, and our instructions are written only because of crime or transgression. It was the same on the mountain with the people of Israel. The book of instruction was given through Moses, and that because of transgression, as Paul wrote in his letter to the Galatians.

Galatians 3:16-29

Gal 3:19 Wherefore then serveth the law? It was added because of transgressions, till the seed should come to whom the promise was made; and it was ordained by angels in the hand of a mediator.

Romans 8:1-39

Rom 8:2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.

1. What is the difference between the law of the Spirit and the law of sin and death?
 - a. Remember the word law simply means instruction.
 - b. Instruction of the mind of God – Image and Likeness
 - c. Instruction of missing the mark that leads to death. – Rebellion, Transgression
2. The instructions given through Moses were given because of transgression, or rebellion. The rejection of the voice of Jehovah on the mountain. (Gal 3)
3. Christianity has rejected the same voice and mind of Jehovah given through the second man Jesus.
 - a. We have canon law or Judeo-Christian laws that define society and the institutions have created the rites necessary to perform the sacrifice to appease God through the sacrifice of his son Jesus.
