

Women of Courage  
Producing Right Conduct and Character  
Patience and Kindness

1 Corinthians 13:4

Love is Patient, Love is Kind

We will be discussing, in our next WOC meeting, the “Nature” of love and how to show it in our lives. How the Love of Jehovah is patient towards us and how we should have that same patience towards our fellow man. Weather we are in trials or in adversities. Weather we are being persecuted, we can withstand all these things because Patience is a state of being in your mind and your disposition that trials and difficulties can never reach. Jehovah is Kind towards us as we should also be. Tender, compassionate, gentle, mild. Is always helpful, desires to always do what is good for our fellow man. As we study in more detail on March 18<sup>th</sup> I pray you that you will understand how we are to produce right character and conduct before our Father and our fellow man. Jehovah wants us to be his children and his voice in the earth today. We must know how to “BE” if we are to be effective for his Kingdom.
