

September 24, 2024 – Day 2,111,797 of the Crisis of Identity

Title: The Abomination of Desolation

We talked about what we call spiritual warfare last week and what that truly means. Today we discuss a topic that many people believe we will not see until some thousand years after the coming of the Lord Jesus. But in reality the abomination has been standing in the holy place for some time, and it has made mankind desolate.

September 25, 2024 – Day 2,111,798 of the Crisis of Identity

Title: One Language

We have come full circle, and mankind is again gathering to make a name for themselves. To determine authority, to define culture, and to take the earth for themselves. To make their name become the strength of existence. Taking the very life given from Jehovah as their own.
