

**X5**

**DOUBLE THE COFFEE DOUBLE THE PLEASURE**

The Vitro X5 provides a consistent, high quality espresso coffee menu which satisfies the most demanding consumer tastes whilst increasing your menu selections without any effort. Either you provide a Light/ Dark Roast, Upmarket Coffee Blend or Decaf; Double Bean means to double your machine coffee offering - a boost to coffee personalization.

The Vitro X5 single cup brewing machine is made of quality noble materials (Stainless and Glass) which provides a contemporary premium looking design that will fit in any environment. Additionally, the machine is easy and quick to maintain, leaving you to focus on what's more important - your business!

**VITRO X5 ESPRESSO DOUBLE BEAN**

It is a premium looking machine which provides peace of mind, delivering into medium-high demand locations an uplift in coffee quality and customization.

**MULTIPLY YOUR CUSTOMER CHOICES**

Designed with two Whole Coffee Bean hoppers and two grinders, it provides the capacity to adjust the grind point to each selected bean - obtaining the best flavor and coffee notes in every brew, one after the other.

The machine can be equipped with the variable espresso brewer AZK V30, that extracts the maximum taste and aroma with a perfect creaminess from any blend of roasted coffee.

The variable AZKV30 brewer adjust can be pre-programmed to dispense different amounts to allow the intensity of the coffee to be adapted to the consumer's taste. The self-regulating state of the art technology provides the highest quality of coffee in every cup.

**PAY BY CARD OR CASHLESS**

We live in a rapidly evolving world and payment trends are changing. The MDB protocol allows the Vitro X5 to adapt to the latest payment methods with various accessories that make payment easy.

For a self-contained operation, the Vitro X5 allows you to integrate a cashless system.

**High autonomy** ▶

The waste drawer has a capacity for up to 220 coffee cakes and the liquid tray holds 2.5 L / 0.66 gal. A exceptional autonomy allowing a continuous service.

◀ **Effortless maintenance**

A great design in and out. Inside there is a coding system and a tube color guide to simplify maintenance work.

**Easy to refill coffee beans and soluble ingredients**

The filling of both 2.2 kg / 4.8 lb coffee bean hoppers is quick and simple.
