

River Otters of South Florida

ROSF

RESEARCH AND CONSERVATION

Florida Licensed Wildlife Rehabilitators

What to Do: Should you encounter an injured or “orphaned” river otter or any other animal (such as an amphibian, reptile, bird, or mammal) in Florida you may contact any number of the Wildlife Rehabilitators listed in the link below. The county and city locations of these rehabilitators are included to make your search easier.

Click this link (confirmed 2 June 2023):
