Playgrounds

Wood Dale Park District will reopen all playgrounds during Phase 4 of Restore Illinois!

After receiving playground safety guidelines from the State, Wood Dale Park District staff has begun removing tape and adding signage at playgrounds. Playgrounds are currently reopening in phases, all playgrounds are expected to reopen by Monday, July 6.

It's important to note that as recommended by the CDC

(<https://www.cdc.gov/coronavirus/2019-ncov/community/parks-rec/parkadministrators.html>), the Park District does not disinfect outdoor equipment or

frequently touched outdoor surfaces, so please play at your own risk. Also, per the new order, gatherings will be limited to 50 people, social distancing is required of at least six feet, and people who are sick or symptomatic are asked not to play on the playgrounds. Masks are also encouraged while in the presence of others. Outdoor drinking fountains and restrooms will remain closed. Play smart and stay safe, Wood Dale!

Tennis

The tennis courts will be closed because they are in disrepair.

Dance

Fall dance classes are currently scheduled in-person and over Zoom at The Recreation Complex.

Rainbow Playschool

Rainbow Playschool is currently running and enforcing COVID-19 guidelines.

WELCOME TO THE PROGRAM GUIDE

Dear Wood Dale Residents;

Park Districts were formed to bring people together and to create places to gather and play. This unfolded first when pieces of land became places to congregate in the center of towns, and events were planned that people could enjoy when their work was done. Over 100 years ago playgrounds were built in these places to allow kids to play and exercise while their families met their neighbors.

As far back as 1880, Community Centers were built to house meetings and programs. We owe the progression of this concept in part to Mary Parker Follett (1868-1933), who saw community centers as playing a major part in her concept of community development and democracy seen through individuals organizing themselves into neighborhood groups and attending to people's needs, desires, and aspiration. She also included parks in this category. In Wood Dale, some wise folks formed the Park District in 1967 and since then we continue the vision of those that came before us by providing places to play and congregate.

On March 16 the Park District suspended operations due to COVID-19. Since then the staff and board have made the safety and health of participants and staff their top priority. This precipitated the birth of virtual programming which allowed us to engage with our customers in a different way. Slowly, as guidelines became available and the State moves into new phases we have adapted, and we are gradually returning to our normal operation. The one thing we have learned is that this process isn't perfect. In fact, it's challenging.

We are balancing our desire to reconnect with our customers and open our doors with the necessity to keep all of you safe. Sometimes we try things that don't work, but we do assure you that our goal is to find the balance between providing programs and spaces and doing it safely. As we adapt to life in Phase 4 of the "Restore Illinois" plan, we ask for your patience. At the beginning of April, over 70 part-time and seasonal staff were furloughed. This means that our full-time and a few part-time staff are doing the work of many. We have a financial responsibility to manage your assets wisely, and that is what we are doing.

We won't call back staff until it is financially feasible. We are happy to present to you programs for the months of September and October. Since the future is so uncertain, we are breaking down our seasonal program guides into two-month increments. This allows us to continuously stay abreast of changes at the state and national level, and also eliminates the need for constant modification of programming which can end up being confusing and frustrating for you, our customers.

Virtual programs will remain a part of our programming, so stay tuned for things you can do from home. However, for those of you who are ready to get together in-person, we have opportunities for you too. So much has changed in our world, but one thing that hasn't changed is our passion for and enjoyment of creating quality activities and fun places to play.

Thank you to our Virtual Program Sponsor, Itasca Bank.

We can't wait to see you. Until then, stay safe!

- Matthew Ellmann, CPRP
Executive Director

T'ai Chi for Health

13+ years

T'ai Chi for Health is a gentle, beautiful, and flowing exercise routine that is a joy to do, energizing and deeply relaxing; it brings health and vitality to all who practice it.

The movements are all done naturally and gently.

The gentle rocking motions and stretching movements improve circulation and digestion; and reduce physical tension. The controlled breathing reduces stress and anxiety, helping calm the mind. It helps regulate heart rate and blood pressure, boosting energy. The exercises are very effective and easy to learn. Students may choose to sit or stand as needed; making this class suitable for all ages and abilities.

Golf Center Update

Wood Dale Park District assumed management and operations of the Golf Center, formerly TopGolf, on July 1, 2020, and anticipates opening in 2021.

The Golf Center is the placeholder name for the facility until a name is established. The latest Wood Dale Park District venue will be part of Salt Creek Golf Club and will offer patrons increased golf and social opportunities with exciting amenities. These two venues will work together to provide golf instruction, practice opportunities, and space for community meetings, social and corporate events, and private rentals. Stay tuned and check back for more information and updates!
