Express Wash / Maintenance Detail*

\$50 – Most Vehicles Add \$10 for Leather Express Clean & Condition and +\$15 for 4-wk Paint Sealant

WASH & DRY

Vehicle is washed with automotive-specific carnauba wax infused shampoo to safely remove dirt and grime without causing additional micro scratching and marring, then dried with microfiber drying towels and compressed air.

WHEELS CLEANED

Wheel face surfaces are cleaned to remove tough baked on brake dust and road grime that can lead to damage and pitting on polished areas.

TIRE DRESSING

Tires & Wheel wells are cleaned and tires are dressed to a deep black luster with a UV inhibitor dressing that is approved by all tire brands.

THOROUGH VACUUMING

Complete interior is vacuumed to remove *loose dirt and debris*.
Embedded pet hair, pine needles, etc. may not be fully removed especially on felt-type carpets

INTERIOR UV PROTECT AND DRESSING

Dash, *front* door panels, and center console are dusted and wiped with a UV protectant. It leaves your interior looking fresh with a non-greasy look and feel.

GLASS CLEANED INSIDE AND OUT

All glass is thoroughly cleaned inside and out, including mirrors.

**As a maintenance package, this will keep your car clean and looking great all year around. We can set up a monthly, bi-monthly or quarterly visits. Steer clear of the drive-thru car wash and get professional care and great service!*
