

# ***FIREHOUSE MOBILE DETAIL***

## *"Captain" Detail*

### **WASH & DRY**

Vehicle is washed with automotive-specific shampoo with wax to safely remove dirt and grime without causing additional micro scratching and marring, then dried with microfiber drying towels and compressed air.

### **DOORJAMB AND FUEL FILL**

These dirt-prone areas are cleaned hinges and latches are lubricated for smooth operation and rust protection.

### **WHEELS CLEANED**

Wheel surfaces are cleaned to remove tough baked on brake dust and road grime that can lead to damage to polished areas.

### **TIRE DRESSING**

Tires & Wheel wells are cleaned and dressed to a deep black luster with a silicone and solvent free dressing that is approved by all tire manufactures.

### **PLASTIC & RUBBER TRIM DRESSING**

All exterior plastic and rubber moldings and trim is cleaned and UV protected with a dressing.

### **PAINT SEALANT** (Synthetic Wax)

A paint sealant is applied to enhance gloss and provides protection from the Northwest elements. *Ask about upgraded sealants and ceramic coating for the best protection.*

### **THOROUGH VACUUMING**

Complete interior is vacuumed to remove loose dirt and debris.

### **FLOOR MATS CLEANED**

Floor mats are removed and thoroughly cleaned to remove most stains, ground in dirt, allergens and bacteria.

### **INTERIOR UV PROTECT AND DRESSING**

All interior surfaces are cleaned and a UV protectant dressing is applied. It leaves your interior looking fresh with a non-greasy look and feel.

### **STEAM-VAPOR CLEAN**

A high temp, high-pressure steam may be used to clean and disinfect all of the tightest nooks and crannies around your interior. Dash vents are cleaned and the stickiest of spills are removed.

### **SEATS AND UPHOLSTERY**

Seats and upholstery are spot cleaned for major stains (up to 5 areas). Leather surfaces are cleaned and conditioned with automotive specific leather care products.

### **HEADLINER SPOT-CLEAN**

Random pen marks and dirty fingerprints are removed gently to prevent damage to the fragile headliner materials used today.

### **GLASS CLEANED INSIDE AND OUT**

All glass is thoroughly cleaned inside and out, including mirrors. On exterior glass and mirrors, a cleaner with a water repellant component is used on exterior glass and mirrors

**All personal belongings left in the cabin will be bagged and left in the back seat. Glovebox, center console and door pockets will not be cleaned if items are left in them. These are considered private areas.**

**Professional Detailing at YOUR Location with the value and quality you expect and the value you deserve!**
