

FIREHOUSE MOBILE DETAIL

“Captain” Detail

WASH & DRY

Vehicle is washed with automotive-specific shampoo with wax to safely remove dirt and grime without causing additional micro scratching and marring, then dried with microfiber drying towels and compressed air.

DOORJAMB AND FUEL FILL

These dirt-prone areas are cleaned hinges and latches are lubricated for smooth operation and rust protection.

WHEELS CLEANED

Wheel surfaces are cleaned to remove tough baked on brake dust and road grime that can lead to damage to polished areas.

TIRE DRESSING

Tires & Wheel wells are cleaned and dressed to a deep black luster with a silicone and solvent free dressing that is approved by all tire manufactures.

PLASTIC & RUBBER TRIM DRESSING

All exterior plastic and rubber moldings and trim is cleaned and UV protected with a dressing.

PAINT SEALANT (Synthetic Wax)

A paint sealant is applied to enhance gloss and provides protection from the Northwest elements.

THOROUGH VACUUMING

Complete interior is vacuumed to remove loose dirt and debris.

FLOOR MATS CLEANED

Floor mats are removed and thoroughly cleaned to remove most stains, ground in dirt, allergens and bacteria.

INTERIOR UV PROTECT AND DRESSING

All interior surfaces are cleaned and a UV protectant dressing is applied. It leaves your interior looking fresh with a non-greasy look and feel.

STEAM-VAPOR CLEAN

A high temp, high-pressure steam may be used to clean and disinfect all of the tightest nooks and crannies around your interior. Dash vents are cleaned and the stickiest of spills are removed.

SEATS AND UPHOLSTERY

Seats and upholstery are spot cleaned for major stains (up to 5 areas). Leather surfaces are cleaned and conditioned with automotive specific leather care products.

HEADLINER SPOT-CLEAN

Random pen marks and dirty fingerprints are removed gently to prevent damage to the fragile headliner materials used today.

GLASS CLEANED INSIDE AND OUT

All glass is thoroughly cleaned inside and out, including mirrors. On exterior glass and mirrors, a cleaner with a water repellent component is used.

All personal belongings left in the cabin will be bagged and left in the back seat. Glovebox, center console and door pockets will not be cleaned if items are left in them. These are considered private areas.
