

Sample Freedom Prayer

Lord Jesus, I recognize (_____) in me right now.

I take responsibility for agreeing with (_____) and ask You to forgive me for those agreements.

You gave me, Your disciple, authority over all the power of the enemy. (_____) is my enemy, it is from the father of lies, and I refuse to agree with it anymore.

I am a son/daughter of the Lord Most High. I agree with the Light, not Darkness. In Jesus' name I renounce all participation with (_____) and remove it from me, my home, and all my generations. Be gone, (_____)!

I submit to God, I resist the devil, and he has to flee from me. I am a disciple of Jesus, and He has given me the authority to do this. So it is now done.

And now, Heavenly Father, I pray for Your Presence and the fruit of Your Spirit to reign in me: replace any (_____) now with Truth you're your Word, and the fruit of Your Spirit: love, joy, peace, patience, kindness, goodness, gentleness, faithfulness and self-control. I give You praise! Amen.
