

*In the past 8 years, there have been several seasons when I've **prayed these Scriptures** for either myself or another person-- and every single time, God's Word has never failed: He has literally turned whatever problem there was... into a **nonexistent thing**.*

*Here's an overview of what I've affectionately entitled,
The Prayer that Creates Nothing!*

Leanna Bolden
Eternally Speaking Now

The first time the Holy Spirit called me to **pray Isaiah 41:10-13**, He had me **personalize** the verses, 'filling in the blanks' with a specific difficulty I was facing. **I prayed the verses** every day for 9 months. Then suddenly, as God promises in His Word, the difficulty I'd **prayed against disappeared**.

It's been 8 years now, and there's **never** since been a tug on my heart from that stronghold. **Totally gone. If I were to seek it out, I could not find it.** And the way He did it, including the date He gave me **freedom**, ended up being **very personal** to me.

CHALLENGE:

Now it's your turn...

Jesus has given His disciples **authority over all the power of the enemy.** (Luke 10:17-20)

On the next page, you'll see the verses (in black). Beneath each verse is an example of my **personalized** prayer (in green parentheses).

When you see a blank, fill it in with whatever difficulty you're facing. It can be anything-- **ask the Lord what He wants you to pray against.**

Whether it's impatience, anger, fear, a chronic condition, an emotional stronghold, an agitating spirit, or illness, *He is faithful to His Word.*

Please remember, God works **personally** with each of us.

I don't know how He will answer your cries, *but I do know He will answer.* May you use these verses as a tool for **freedom**, and may you embrace the journey, with its unique process and results that are **God-designed just for you.**

Isaiah 41:10-13

Fear not, for I am with you;
(I fear not, Lord. You are with me.)
Be not dismayed, for I am your God.
(I be not dismayed. You are my God!)
I will strengthen you, yes, I will help you,
(You will strengthen me. Yes, You will help me.)
I will uphold you with My righteous right hand.
(You will uphold me with Your righteous right hand.)

Behold, all those who were incensed against you
(Behold, this stronghold of _____ that is incensed against me)
Shall be ashamed and disgraced;
(IT will be ashamed and disgraced! Not I, but it!)
They shall be as nothing,
(You shall make these things against me as nothing, Lord--)
And those who strive with you shall perish.
(This stronghold of _____, striving against me, shall perish!)
You shall seek them and not find them-
Those who contended with you.
(Even if I were to seek it out, I will not find it anymore-- all the _____ that has contended with me!)
Those who war against you
Shall be as nothing, as a nonexistent thing.
(That _____ warring against me shall be as NOTHING, as a NON-EXISTENT thing!)

For I, the Lord your God, will hold your right hand,
(For You, the Lord MY God, will hold my right hand,)
Saying to you, 'Fear not, I will help you.'
(Saying to me, 'Fear not' -- You will help me!)
AMEN.

*Let's stop settling with 'less than something,'
and let's pray the prayer that 'creates nothing!'*
