ZURENA

A Story of Family, Legacy & Love

I was born in humble beginnings in Trinidad & Tobago in the Caribbean, and my Grandpa raised me in my formative years. Grandpa was a gentle soul, great patriarch, and a world class mixologist. Zurena is a secret family recipe, one of Grandpa's, that I am taking to the world.

I named Zurena after my daughters Zuri (Swahili -beautiful) and Rena (Hebrew - joyful melody). I wanted to set an example that if you have a dream, no matter how big, you can make it happen. Zurena honors Grandpa, my family, Zuri and Rena, and the many members of my village who have helped to shape my journey.
