

When you're in the Mid-Atlantic, crab cakes don't just go with the territory, they ARE the territory. So to put to market a locally created crab cake that meets the test of this critical mass, it's got to be good. *Trout's Supreme Seafood* is it!

**Maryland Crab Cake | 4oz. Each**

A Maryland staple, made with 75% blue crab meat vs. filler. This amazing frozen crab cake can be thawed and served as a great grab-and-go item OR served on any menu from convenience store kitchens to restaurant menus. This product is easily prepared hot and ready to eat by a Turbo Chef from frozen in a matter of minutes! Added bonuses in that it's made with clean ingredients, is Gluten-Free, and you can choose from all lump, a blend of lump/jumbo lump, or all jumbo lump crab meat.

Also available in .80oz. Minis.

*Your New Favorite Pretzel !*

**Crab Dip Pretzel with Cheddar Cheese | 9oz. each**

This is your new favorite savory Pretzel. Our house made Crab Dip loaded on top of an amazing soft pretzel then covered and smothered in cheddar cheese. All topped off with some Old Bay and parsley, this is one item you cannot go wrong with. This product can be prepared hot and ready to serve from frozen in a Turbo Chef in a couple of minutes. You can thaw and serve as a grab and go item in grocery store delis or convenience stores. Amazing product with amazing flavor.

*Soups !*

Packed in a variety of sizes from 11oz-32oz for retail sale, or a foodservice 4/lb. bag for hot soup bars. A great grab and go item for people looking for a quick snack. Toss it in the microwave and in a few minutes you are having a mouth full of flavor!

**Maryland Crab Soup** is a great soup that has a little sweet with a little spice.

Filled with blue crabmeat and amazing spices.

**Cream of Crab Soup** is a soup that has a full body and amazing taste. Filled with white blue crabmeat and amazing spices.
