HANDMADE AND ARTISANAL CHARCUTERIE SINCE 1975

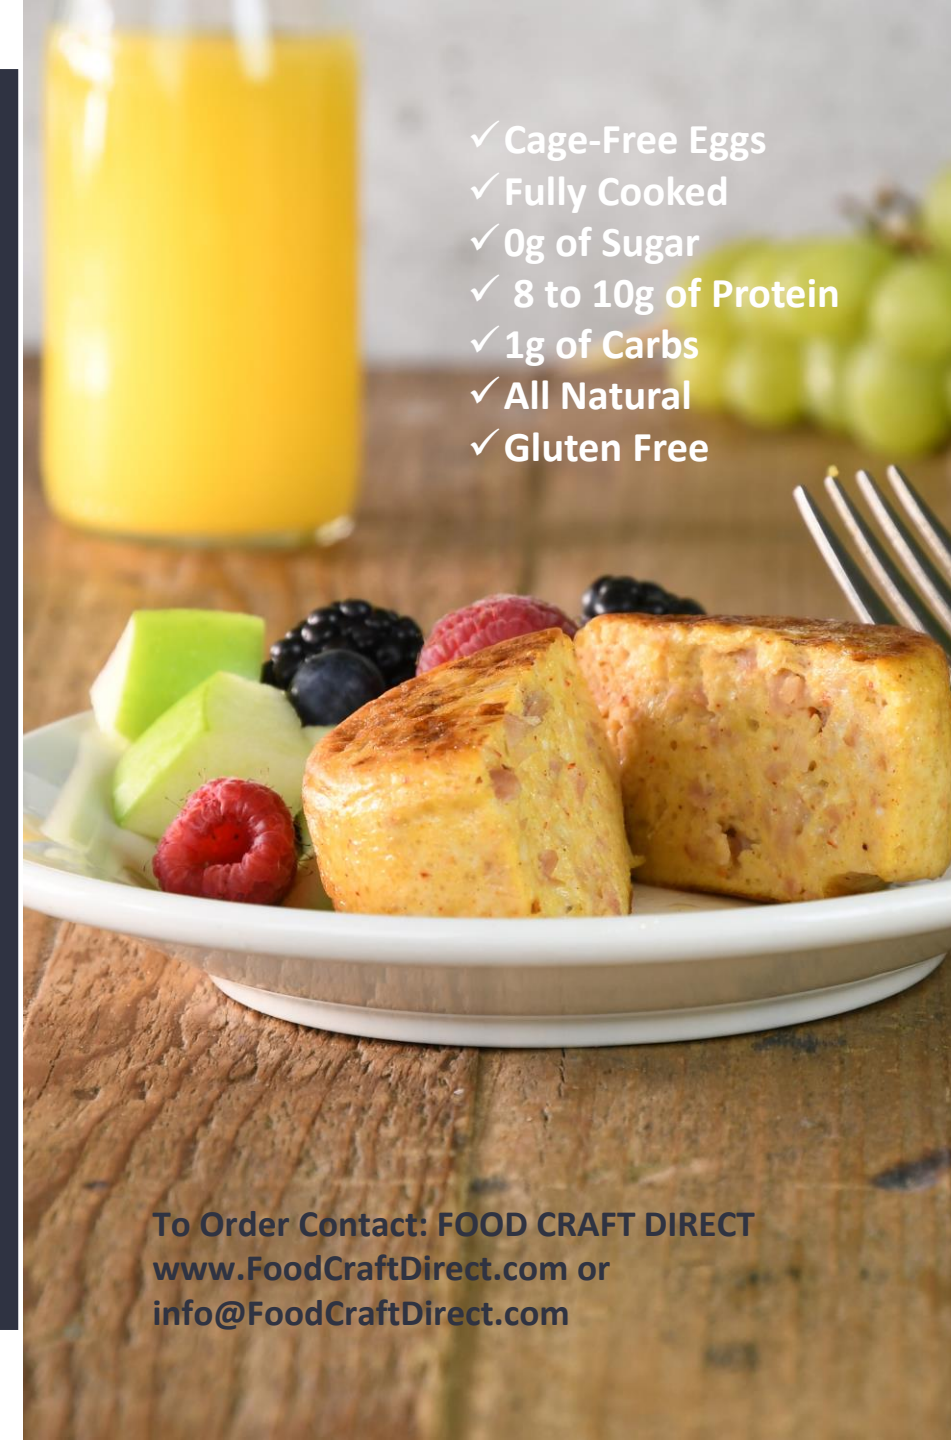

SOUS-VIDE EGG BITES

Breakfast crumble is over

Les Trois Petits Cochons is maintaining its reputation as a longtime specialty leader and innovator by modernizing the quiches we sold in the original shop in Greenwich Village with the launch of a new line of all natural, cage-free Sous-Vide Egg Bites. By utilizing the traditional French sous-vide cooking method, Les Trois Petits Cochons has created a line of tender, perfectly cooked egg bites that have a refined texture and gourmet taste. They are available in seven delicious varieties: **Prosciutto & Gruyère**, **Bacon & Swiss**, **Ham, Cheddar & Chili Pepper**, **Breakfast Sausage & Cheddar** including three vegetarian options: **Spinach & Feta**, **Mushrooms & Swiss**, **Egg Whites Broccoli & Parmesan**. Perfect as breakfast, lunch, an on-the-go snack, or a healthy addition to a kid's lunchbox.
