KIDS HOUSE NEW SIGN

We are excited to announce that we have a new Kids House Sign! For the last several months we have been without and using a temporary one due to a car accident damaging the entire sign. We are so thankful to work with Wharton Smith and Vital Signs on custom building our new and improved sign for everyone to admire!

GRATITUDE LUNCH FROM ADVENT HEALTH

Wednesday, December 16th, and Thursday, December 17th Kent Johnson and Dannie Hubp from Advent Health catered Chick-fil-a for the Kids House staff as a show of appreciation for all of our hard work! We admire and value our partnership with Advent Health and all of their staff!

STAFF HOLIDAY TO-GO LUNCH

Friday, December 18, 2020 Kids House had our Holiday staff lunch, however, due to COVID-19, it was a little different than previous years. Big thank you to Chianti's Pizza & Pasta for not only catering our lunch but supplying to-go containers so that we can have a COVID safe to-go lunch for the staff!

COUNTDOWN TO THE NEW YEAR

Counting down till midnight is sometimes the best part of starting the new year! Here are some fun things you can do to keep kiddos entertained and have fun as a family while you wait till midnight! Fill some bags with treats or activities and label them every hour until midnight, each hour the kiddos will get a fun surprise! You can make confetti poppers out of old toilet paper rolls! Decorate the roll and tape part of a balloon at one end and fill with confetti to pop at midnight! You can also make and decorate paper plate shakers by gluing two plates together and adding something in the middle.

BRING IN THE NEW YEAR

Start the new year off with some family fun! Drag out all the blankets and pillows into the living room and set up a camp! Rent or stream movies, play board games, maybe even eat some sweets and snacks that normally would be off-limits, and just enjoy the night together. See who can stay up the longest till Midnight! Maybe now is the time to take down your holiday decorations you haven't had time to do yet. If you have a tree up and aren't ready to take it down yet, take off all the current decorations and redecorate it with handwritten New Year resolutions. This can be as simple as eating one healthy meal a week, exercising more, or even adding in more family nights!

HEAR FROM OUR FAMILIES

NOTE FROM ONE OF OUR THANKSGIVING SPONSORED FAMILIES

"Thank you so much from the bottom of my heart! This truly such a blessing beyond words. Your generosity and kindness are overwhelmingly joyful and amazing! Thank you for bringing fantastic gratitude & thanks this thanksgiving to our family!"

NOTE FROM ONE OF OUR HOLIDAY SPONSORED FAMILIES

"Thank you so much for your generosity. We really appreciate it and will make sure to pay it forward some day! Merry Christmas"

END OF THE YEAR GIVING

It is only with your financial assistance, and that of others, that we will be able to provide the critical services that have had a lasting impact on our children and the entire community. As we reflect on a year of great accomplishments, we look forward to another year of partnerships in strengthening and expanding our programs while ensuring quality care to each child who enters our doors.

HOST A BENEFICIARY EVENT

Are you interested in helping Kids House raise money for our children? Hosting your own event for Kids House can be as easy as putting on a bake sale, workplace events such as "wear jeans day for a donation to Kids House," or even a car wash.

ONLINE SILENT AUCTION

Host an online silent auction for Kids House. Online silent auctions can reach and accommodate a much larger audience than traditional in-person auctions. This allows you to include family, friends, neighbors, donors, and more. Encourage your primary audience to share your auction with their connections, including through social media.
