WHERE HOPE AND HEALING BEGINS

KIDS HOUSE SPOTLIGHT

ROOMS TO GO PARTNERSHIP

Rooms To Go has a program where when they open a new store location, they pick a different local nonprofit organization to support. Rooms To Go has supported local children's charitable foundations for nearly three decades. This January, Kids House was so excited and honored that Rooms To Go selected us as a partner for their Grand Opening in Altamonte Springs! Rooms To Go pledged to donate a portion of Grand Opening sales to benefit our organization. We are excited to have been selected and beyond thankful for the Rooms To Go family!

GIRL SCOUT COOKIES HAVE ARRIVED!

Kids House is so honored to have such amazing partnerships with different agencies and especially those out in the community! For the last 18 years, Tony and his wife have been so kind to donate hundreds of boxes of Girl Scout cookies to Kids House! With this wonderful donation, each child that comes through Kids House gets to pick out their favorite box of cookies to take home and enjoy! Every time we get to tell a child that they get to pick and take home their very own box of cookies, they light up like they just won the lottery! Thank you, Tony, for your generosity and support of Kids House!

PARENTS CORNER

PATIENCE

Misbehavior is an expression of unmet needs. We tend to believe that behavior is either good or bad, acceptable or unacceptable. This misconception creates a lot of unnecessary difficulty for children and can create a parenting blind spot. Children do not have the same understanding and skills that most adults do because they are still developing. And just like adults, children need to be taught problem-solving, conflict resolution, and social skills. Positive parenting doesn't mean your child won't ever express negative emotions or misbehave. It does not mean you're expected not to make mistakes while parenting. Be patient with your children and with yourself.

VALENTINE'S CRAFTS

Make Valentine's Day fun with some crafts! If your child loves slime, grab some glue, use the pink sparkly glue for a more valentine look, liquid starch, and of course heart-shaped confetti to mix in! You can also make Valentine's mailboxes out of empty tissue boxes or if you have them on hand, an empty shoe box. Add construction paper, pompoms, stickers, and anything else that would help you and your child embrace your creativity and make something you're all proud of.

PRIORITIZE MENTAL HEALTH

Make your mental health a priority, it's just as important as your physical health. Let's build a more compassionate, supportive, and safe community for the health and well-being of all, especially for our children.

GET INVOLVED

BE A STAR!

For every \$20 Donation, we will display a star on our giving wall at Kids House. With your help, we hope to get 1,000 stars displayed on our wall!

DONATE A SILENT AUCTION BASKET/ITEM

Every year we reach out to the community to secure items for our annual silent auction. Donations of various items and baskets get raffled off with all the proceeds going directly to Kids House. Get Involved by donating a gift certificate, an experience, or even a basket to auction off!

ATTEND OUR ANNUAL GALA

The Kids House Gala is our primary fundraising event with silent and live auctions to benefit the children of Kids House. Attend our annual Gala by purchasing a seat or table and join the festivities while bidding on different items and experiences.

MONETARY DONATIONS

As a 501(c)3 nonprofit organization, Kids House relies on our donors' kindness and dedication to further our efforts to prevent and treat child abuse. We accept cash, credit, and checks as forms of payment.
