KIDS HOUSE SPOTLIGHT

SWEETHEART ONLINE AUCTION

February 1st through 6th Kids House hosted our first Sweetheart Online Auction! We had several different items to bid on such as theme park tickets, wine tour, and gift cards. Thanks to everyone who bid and helped make the event a wonderful success!

JULIETTE'S 20TH ANNIVERSARY CELEBRATION

Mid-February, Kids House celebrated a special anniversary for our Chief Executive Officer, Juliette Kong's 20 years of service. One of our board members, Tom Muller, was so kind to donate lunch from Enzo's for her special day. A covid-safe lunch was enjoyed with the company of a few Board members, some in person and some via Zoom. We are so thankful to have such kind Board Members to help acknowledge and celebrate such a big accomplishment!

WELCOME TO THE CHILD ADVOCATE PROGRAM

Kids House is happy to welcome Caty McCarthy to the child advocate program as our new Medical Advocate Specialist! With previous experience as a Child Life Specialist, Caty has a passion for these Medical Neglect Cases and we are thrilled to have her on board the Child Advocate Program!

PARENTS CORNER

THERAPY SERVICES AT CACS IN THE US

The therapeutic services offered at Children's Advocacy Centers (CAC) may look a little different from conventional therapy. Using evidence-based treatment methods, our Mental Health team provides quality, trauma-focused therapy to children in our community.

Treatment often includes using creative arts and play therapy, spending time with our certified facility dog, and working with non-offending caregivers. Learn more about our Mental Health program and how we help children heal at our website below:

BRING FUN TO ST. PATRICK'S DAY

Instead of making volcanoes, make a fun fizzy pot science experiment with baking soda, vinegar, and green food dye! Want more science? You can even turn a flower green, all you need for this is a white flower, food coloring, water in a cup, and watch the magic happen. Some crafts you can do are making handprint shamrocks or by using paper doilies and green dyed shaving cream, you can make a doily shamrock. You can also make a leprechaun out of construction paper, orange pom-poms, and a toilet paper roll! After making all these fun crafts you can relax while enjoying a tasty and fun Shamrock shake made with vanilla ice cream, milk, mint extract, and green food coloring!
