WHERE HOPE AND HEALING BEGINS

## KIDS HOUSE SPOTLIGHT

### COPS AND KIDS FISHING DERBY

Thank you to the Casselberry Police Department, who presented a \$5,306 check from their 2022 Kids N' Cops Fishing Derby. At the check presentation, we were honored to have Sherriff Dennis Lemma, Casselberry PD Chief Larry Krantz, and Winter Springs PD Chief Matt Tracht. Kids House is lucky to have our fantastic partnership with all of our Seminole County Police Departments.

### STAFF TEAM BUILDING EVENT

May 13th, Kids House had our first team-building staff event hosted by the Advocate Department. They came up with a "newlywed" game, "Supervisor Edition." This event allowed each department to get to know their supervisor a little more by matching their answers to their supervisor's. Everyone learned new things about their department supervisors. Special congratulations to our Mental Health Department for winning the most points about their supervisor! Of course, thank you to our Advocate department for organizing such a fun team-building event!

### RED DAY

Kids House was lucky to have been chosen by Keller Williams for their Red Day event! During this event, they provided needed outdoor facility maintenance. This included pulling weeds, removing mulch, laying new mulch, trimming trees, pressure washing benches, statues, parking lots, part of our building, and the playground. They painted benches, a pergola, and Snow White and her seven dwarfs and installed plants in several plant beds. We are so appreciative to have been chosen this year. Thank you, Keller Williams!

## PARENTS CORNER

### SWIMMING SAFETY

With the start of summer, it is essential to learn swimming safety. Drowning is the leading cause of injury-related death among children ages one to four. A vital tip to remember is always to have a designated adult watch the children while in the water and ensure weak swimmers are always in arms' reach. If a child is a weak swimmer, young or inexperienced floaties are an extra precaution to help the child stay afloat. Another tip is to teach children always to ask permission before they go near the water, which will ensure the child gets constant attention and supervision.

### SUMMER FUN

Summer is a great time to spend with family! With school being out, spending quality family time is important for bonding with children. This summer, consider some of these fun family activities! Make bubble wands out of pipe cleaners adding beads to the handle to add style. Take a trip to a local park and have a family picnic! Have everyone in the family help make finger foods and treats to take. After your picnic, you can cloud gaze, trying to find all the different shapes and animals you and your children can imagine. When you're ready to end the fun summer day, wind down with quiet time. Summer reading helps keep your brain working when school is out. Spend an hour each night relaxing and reading a book together as a family. Another option is for everyone to spend time in the living room reading their own books, still together but enjoying their own materials.

## GET INVOLVED

### MONETARY DONATIONS

As a 501(c)3 nonprofit organization, Kids House relies on our donors' kindness and dedication to further our efforts to prevent and treat child abuse. You can give now by cash, credit, and checks. Thank you for being so supportive!
