WHERE HOPE AND HEALING BEGINS

KIDS HOUSE SPOTLIGHT

CHRISTMAS THANK YOU!

To all of our Holiday Basket and Gift Donors- We want to thank all of this year's Holiday basket and gift donors who have contributed to our filling our families' bellies and underneath their trees this Christmas! Kids House is lucky to have the support of our partner agencies, community, and staff members to help make the families we serve have a special holiday season!

KIDS HOUSE CLIENT EVENT

Kids House became Santa's workshop and the staff turned into elves trying to help prepare for a special event for the children and families who have come through Kids House! We opened our doors on Monday, December 18th for a special event where parents could come and "shop" for gifts for all of their children this holiday season. Thank you to all the donors who have donated, volunteered, and helped make this event happen! We are so thankful to have your support.

KIDS HOUSE COOKIE EXCHANGE

Our staff came to get to celebrate the holidays this December. Kids House hosted a cookie exchange for the holiday season. There were eleven types of cookies and hot cocoa to make it feel like the holidays.

PARENTS CORNER

POST HOLIDAY STRESS

After the holidays are over, it is vital to continue to manage your stress to prevent becoming overwhelmed and better one's mental health. Reflect on the good moments that you experienced over the holiday and remind yourself what brought you holiday joy. The holidays are a hectic time, but you can't forget about "me-time" with the holidays over, set aside some quiet time or time to do something you love.

MAKE TIME FOR FUN

Strong families know that having fun is essential and make plans to have fun together. Always remember that laughter is important and use humor to help reduce stress. Family members laugh with one another, not at one another. This new year, make time for family fun and making memories. As children grow up, memories are the most important thing they can bring into their adult years. Make a blanket fort or start a new weekly family tradition like movie night every Friday. This new year, ensure to have fun as a family.

HAPPY NEW YEAR!

From all of us at Kids House, we wish you and your family a Happy New Year. May 2024 bring you all joy and blessings.

GET INVOLVED

MONETARY DONATIONS

As a 501(c)3 nonprofit organization, Kids House relies on our donors' kindness and dedication to further our efforts to prevent and treat child abuse. We accept cash, credit, and checks as forms of payment.

HOST A BENEFICIARY EVENT

Are you interested in helping Kids House raise money for our children? Hosting your own event for Kids House can be as easy as putting on a bake sale, workplace events such as "wear jeans day for a donation to Kids House," or even a car wash.

IN-KIND DONATIONS

A lot goes into helping the children work through their trauma and heal, which includes actual items we use when working with those children. Below is a list of things we use to aid in the healing process and offer additional support to our families. All in-kind donations must be NEW and UNUSED.
