WHERE HOPE AND HEALING BEGINS

KIDS HOUSE SPOTLIGHT

CHRISTMAS IN JULY

On July 10th, Kids House held our first Christmas in July event for our clients! With the pandemic and canceling of events around the holidays, we wanted to continue some Christmas cheer and offer our families to come and pick out some toys! We are fortunate that we were able to put on such a great event and be able to spread that Christmas in July cheer to our kiddos!

"STUFF THE BUS EVENT"

Saturday, July 24th Kids House had the privilege to partner with the Casselberry Police Department for our "Stuff the Bus" event. We collected school supply donations at the Casselberry Target, the goal was to fill up the Casselberry Emergency vehicle full of supplies for the kiddos of Seminole county. We are incredibly thankful for our partnership with them and to be able to do this event to acquire donations that help make our Back to School event possible.

BACKPACK STUFFING PARTY

Big thank you to the Florida Metropolitan Ladies for volunteering with us to help stuff backpacks for our kiddos! We were able to successfully stuff backpacks varying from Pre-Kindergarten all the way to Seniors in High School.

PARENTS CORNER

GROW THROUGH A CRISIS

All families experience crises. Strong families use these experiences to learn and grow. They know even bad experiences can bring about good changes and help them to become closer. They admit problems instead of hiding them and seek help when needed.

HAVE FUN AS A FAMILY

Strong families know that having fun is important and make plans to have fun together. They plan family trips or parties. Strong families know that laughter is important and use humor to help reduce stress. Family members laugh with one another, not at one another.

BACK TO SCHOOL TIPS

School is about to be back in session for our kiddos so now is the time to make sure they're ready. First, consider starting your child on their school sleep and wake schedule a week or so ahead of time so that time change is not a factor for the first few days of school. Getting enough sleep is critical for the child to become successful in school. The first day of school can be scary for children, point out the positives of starting school to create positive anticipation for the first day, this should make the kiddos excited for the day. If your kiddos still seem nervous, talk and see what may be bothering them so that you can find a solution for the new situation before school officially starts.
