

KIDS HOUSE

WHERE HOPE AND HEALING BEGINS

KIDS HOUSE SPOTLIGHT

KIDS HOUSE CLIENT PARTY

Kids House held our annual Holiday event for our clients a little differently than in the past years. This year we held a Holiday Drive-Through event where we set up designated stations for our families to pick up gifts, crafts, and food while enjoying Christmas music and decorations. We also had the one and only Grinch running around, which our clients absolutely adored! Big thank you to all of our generous holiday donors. Because of them, we were able to supply gifts for over 150 children this season! We can't forget our wonderful volunteers and staff members who donated crafts, food, and time to ensure this event was a major success!

DONOR THANK YOU!

This season we have had such an amazing response from our community for toy donations. We have been able to supply multiple gifts to each child this year due to the number of toy donations we received. Kids House is truly blessed to have so many generous donors that wanted to help this holiday season, from donating toys to sponsoring an entire family! The generosity fills our hearts and is a tremendous blessing for the families we serve. Without their help, we wouldn't have been able to make this holiday season so special. Special thank you to all the individuals and companies who donated or sponsored a family. You are a true Holiday Hero for our families!

PARENTS CORNER

NEW YEAR, A NEW READING GOAL

Children are more accustomed to taking part in engaging activities like playing games; this can be an advantage and help make reading more fun for them. Find funny books, making a child laugh can turn an ordinary book into their favorite because they will remember that funny scene even more if you're using funny voices. Lastly, make a book-reading fort after choosing your book and deciding engagement tactics. This will make the fort their own and as comfortable as they want in which also makes it their own special reading space.

NEW YEARS FUN

Start the new year off with some family fun! Maybe now is the time to take down your holiday decorations you haven't had time to do yet. If you have a tree up and aren't ready to take it down yet, take off all the current decorations and redecorate it with handwritten New Year resolutions. This can be as simple as eating one healthy meal a week, exercising more, or even adding in more family nights!

POST HOLIDAY STRESS

After the holidays are over, it is important to continue to manage your stress to prevent becoming overwhelmed and better one's mental health. Reflect on the good moments that you experienced over the holiday and remind yourself what brought you holiday joy. The holidays are a very busy time, but you can't forget about "me-time" with the holidays over, set aside some quiet time or time to do something you love.

GET INVOLVED

NEW YEAR'S GIVING

Only with your financial assistance and that of others will we be able to provide the critical services that have had a lasting impact on our children and the entire community. As we begin a new year, we look forward to another year of fantastic partnerships within our growing community while strengthening and expanding our programs and ensuring quality care to each child who enters our doors.

HOST A BENEFICIARY EVENT

Are you interested in helping Kids House raise money for our children? Hosting your own event for Kids House can be as easy as putting on a bake sale, workplace events such as "wear jeans day for a donation to Kids House," or even a car wash.

ONLINE SILENT AUCTION

Host an online silent auction for Kids House. Online silent auctions can reach and accommodate a much larger audience than traditional in-person auctions. This allows you to include family, friends, neighbors, donors, and more. Encourage your primary audience to share your auction with their connections, including through social media.

MONETARY DONATIONS

As a 501(c)3 nonprofit organization, Kids House relies on our donors' kindness and dedication to further our efforts to prevent and treat child abuse. We accept cash, credit, and checks as forms of payment.
