WHERE HOPE AND HEALING BEGINS

CHILD ABUSE PREVENTION MONTH

OUR APRIL 11 EVENT

Members of our community partners, Board of Directors and local law enforcement joined us to kick off National Child Abuse Prevention month. Child abuse is deadly which is why every April we bring awareness to child abuse prevention. We recognize the importance of our community working together to prevent child abuse. CEO Juliette Kong, Sheriff Dennis Lemma and Shelley Curenton, mother of an impacted child, provided insight on how we work together and the benefits of Kids House. HELP US FILL THE CLUBHOUSE

We are asking the public for help in the form of donations. The journey of our Kids House Clubhouse is a testament to community resilience and compassion. From its inception by Seminole County Rotary Clubs to its recent rebuild in 2023 with the help of our Board Members, the Truist Foundation, Wharton-Smith, Inc. and Charles Mead, Inc., each step was fueled by unwavering dedication. Be a part of the healing journey and check out our list of items needed to donate today: <https://tinyurl.com/KHClubhouseWishlist>

WHAT TO KNOW ABOUT DISCLOSURES

Do you know what to do if a child tells you they are being abused? When they disclose their abuse, children often go to someone they trust. And it's crucial to be nonjudgmental and listen with care. Sometimes support can be reporting the child's abuse, keeping them away from the perpetrator or providing them the necessary resources. Remember #ItStartsWithYou! If you suspect child abuse or neglect, be sure to contact the Florida Abuse Hotline at 1.800.96.ABUSE or 1.800.962.2873. Be the Difference, Make a Difference.

INTERNET SAFETY TIPS

As technology advances and becomes more integrated in our daily lives, it is important for parents to be vigilant about their children's online activity. Internet safety is crucial because it helps protect them from online predators, cyberbullying and exposure to inappropriate content. By educating kids on internet safety, they become aware of the potential risks associated with using the internet and learn how to safeguard themselves from harm.
