

KIDS HOUSE

WHERE HOPE AND HEALING BEGINS

KIDS HOUSE SPOTLIGHT

STUFF THE BUS

Back to school is in full effect for Kids House! Saturday, July 29th we joined our friends, Casselberry Police Department for the annual Stuff the Bus event at the Casselberry Walmart! We collected several school supply donations that got donated to Kids House, Casselberry Elementary, and South Seminole Academy. Thank you to the Casselberry Police Department for another successful Stuff the Bus event for the kiddos!

QUALITY ROOFING

Kids House is always fortunate to have donors in the community that come together to help our mission. One way to help is by donating items from our wish list. We are so grateful for our partnership with Quality Roofing and their generosity in donating snacks and drinks for our kiddos! We use these donations for each child who comes to Kids House through investigation or therapy. Each child present gets to pick a snack and drink. Thank you again Quality Roofing for your generosity to Kids House!

KIDS HOUSE CELEBRATED 24 YEARS OF SERVICE!

July 31st, Kids House celebrated serving our community for 24 years! This is such an accomplishment and a proud moment for our agency. Within the last 24 years, we have made a positive difference in so many families and seen so many children begin their process of healing from their abuse. Thank you to everyone who donated for our birthday and for all our partners, donors, community, and staff for continuing to stand by our mission and help ensure the safety of our children while trying to break the cycle of child abuse.

PARENTS CORNER

BACK TO SCHOOL

It's that time again for kiddos to go back to school! As summer comes to an end and children are getting ready for school, remember that back-to-school anxiety is normal. Some children have a fear of the unknown. Encourage your children to talk to you about what's troubling them and remember to listen without judgment. Sometimes all a child needs to feel better is to express their feelings, so be sure to validate those feelings and remind them that other children may have the same feelings, so they are not alone.

HOMEWORK SCHEDULE

If your child struggles with homework, try to develop a homework schedule. As you talk to your child about the schedule, get their input on how they would like to manage their time and how they would like to set up their routine. Remember that they spent at least six hours in a classroom and may need some free time before beginning their homework. This is needed for some children for them to focus on their homework properly. After making the homework schedule, there are no questions about when the work will be completed. This also communicates clear expectations on when the homework should be done. Following a schedule will also help develop a good work ethic for the future.

GET INVOLVED

MONETARY DONATIONS

As a 501(c)3 nonprofit organization, Kids House relies on our donors' kindness and dedication to further our efforts to prevent and treat child abuse. We accept cash, credit, and checks as forms of payment.

ONLINE SILENT AUCTION

Host an online silent auction for Kids House. Online silent auctions can accommodate a much larger audience than traditional in-person auctions. This allows you to include family, friends, neighbors, donors, and more. You can encourage your primary audience to share your auction with their connections, including through social media.

HOST A DRIVE

Host a drive for Kids House and collect items off of our wishlist. Drives can reach a much larger audience than asking for monetary donations and allow you to include family, friends, neighbors, donors, customers, and more.

SUPPORT OUR UPCOMING FUNDRAISER

To raise awareness and money for Kids House, we organized several events throughout the year. Fundraising events are important to us because it helps fund our departments so that we can continue to grow and support all the children and families of Seminole County. Our next fun fundraising event is our Clay Shoot! This event will be held Friday, October 20th, 2023, at 8 am. For more information, go to:
