# NEW THINKING FOR OVER 65 YEARS

The Roots of the Lash Group of Companies Go Back to 1955

Since 1955, the company has evolved into one of Toronto's premier residential builders today. From reaching the highest standards of quality to raising the bar for design and construction and an outstanding focus on property management services, Lash is committed to leading, never following. Over the years, the company has prided itself on its foresight for potential value in untapped neighbourhoods across the GTA. With an insightful ability to create unique, inspired condominium lifestyles, Lash is proud to introduce the crowning jewel of the Markham and Ellesmere intersection, FOURME. This spectacular new offering is yet another representation of Lash's commitment to creating condominium residences of lasting value, as well as bolstering value of the neighbourhoods in which they reside.
