CAPABILITIES STATEMENT

MK Results LLC is an educational consulting group specializing in diversity, equity, inclusion, and leadership training. We work with educators, government entities, corporations, businesses, and public service professionals ready to help you identify, implement, and inspire results to close the gap and change the narrative.

Our mission is to help organizations and leaders on the road to equity by becoming culturally-conscious through policies, practices, and procedures. Our vision is to create a more equitable society through best practices in Diversity & Inclusion through shared experiences, friendly conversations, and mindfulness.

CORE COMPETENCIES

Our services provide enrichment and professional development to city, state, and federal government entities, military, public service professionals, students, and communities across the country.

Leadership Development
Diversity | Equity | Inclusion
Education and Instruction
Curriculum Development

Our team members have combined 30 years experience working in education with experience as leaders, principals, teachers to meet the needs of those we serve. Virtual and in-person options available. All training and workshops customized to the needs of your organization.
