A FRIENDLY CONVERSATION

2019-2020

Attention: Community Partners, Local Political Leaders, Sponsors/Donors

MK Results, LLC. and its team have collaboratively set out to introduce "results-driven" best practices to create a more equitable world, where there are equal opportunities for everyone to develop and reach their unlimited potential. Our focus is to empower the youth, throughout our nation's communities, by bringing a message of motivation and success directly to them in their own school and social environments.

MK Results, LLC. seeks to engage our youth, hear their voices, and build a bridge where there isn't one, to close the gap. Donors play a key role in the strength of our programs for the youth, and we would be most grateful for your investment in the youth of our community, which in return would impact the overall outcome of success for our nation and its future. We seek to eliminate the financial burden on the schools for the programs and services that we offer. Therefore, all of our programs for the youth are free and are delivered at no-cost to the school, school district, or community. This is why your support is so important because we rely solely on the funds of our generous community leaders and partners to support bringing more tours, pep rallies, mentor programs, community forums, and parent workshops to our nation's cities.

The old adage remains true, "It takes a village." We must get back to this and provide communities and our youth with the tools and resources they need to be successful, and, again, this is why your financial support is so important.

"The Road to Equity" delivers a dynamic and innovative Real-world Tour & Pep Rally by bringing a message to students in THEIR own school and social environments. Please consider sponsoring or donating to bring this event to a local middle school, high school, college/university campus, or community near you in order to create #changemakers! This donation will allow MK Results, LLC. to bring more "pep rallies with a purpose" to communities in order to change the narrative and equip/empower our youth, as we set them up with life-skills and tools of success!

The Tour and Pep Rally on "The Road to Equity" will address topics, such as:

Building Relationships #strongertogether,
Five Pillars to an Equitable School/Community #courageousconversations
Finding Your "Why" and How it Connects #whatisyourwhy?,
"Positive Vibes Only: Different Doesn't Mean Bad" #growthmindset
Money Matters: Financial Literacy for Students #levelup,
Cyber-bullying, Digital Citizenship, Mental Health,
Sex Trafficking, Domestic Violence, Healthy Coping Skills,
and more (customized to the needs of your campus/district)

Your donation and or sponsorship helps to fund the following:

- Fun-Filled Pep Rally with a Purpose
- Courageous Conversations
- The Road to Equity Scholarship
- Banner left with campus to display "Pledge to Equity"

- Swag (Souvenirs/Takeaways for attendees)
- Training/Workshop on Equity
- Empowered and Renewed Outlook on their Generation that CAN!
- Tangible & detailed plan to carry on the message, both campus or community-wide, throughout the remainder of the year

Join our conversation to embark on a journey of social and self-awareness that leads to awareness, action, and results!

Donors and sponsors will be publicized, marketed, and appreciated. Make a statement by displaying your commitment to the community, by partnering with MKResults, LLC: Set Me Up for Success. The total cost of a successful pep rally starts off at \$6,000. Any donation is greatly appreciated and a receipt will be sent. We need to hear our youth and change the narrative...Help us bring a message of unity, peace, and success!
