2022 Escondido Art Association Kids Kaleidoscope Show

The Escondido Art Association (EAA) is a non-profit organization dedicated to supporting the arts and the community since 1956. We are hosting The Annual Kids Kaleidoscope Art Show during the month of April supported by a generous donation from Design Moe Kitchen and Bath.

The show is open to young artists (ages 5 – 18/grades K - 12). The show will be held at The Artist Gallery located at 121 W. Grand Avenue, Escondido. We are presently contacting the schools in the Escondido area.

This is an annual event which brings great joy to the budding artists as well as to the EAA members arranging the show.

For further information, contact the Artists Gallery on (442) 317-0980 or go to the EAA website <https://www.escondidoartassociation.com/>
