

2022 March and April EAA Show guidelines.

EAA members "Small but Mighty" show.

Small but mighty means - the painting cannot be any larger than 14" x 18" or a total of 252 square inches (framed or unframed).

EAA members "Dreaming" show.

Again the art must be no larger than 14" x 18" or a total of 252 square inches (framed or unframed).

Art works must be prepared for exhibition.

The back of the painting needs to look as good as the front.

Please be sure that you have your work wired properly and secured in the frame.

We will begin in March to jury-out any art that is not presented in a professional manner. We have noticed that many of our artists are bringing in art that has previously been exhibited in the gallery.

Award winning art cannot be re-entered in a later show.

The EAA show rules are on our website in the Forms and FAQ section along with the entry form.
