

EAA Art - Library Rotation

ARTISTS: LETS SHOW OUR SUPPORT TO UKRAINE

Escondido Art Association will use its Rotation Program wall at the Escondido Library to display sunflower paintings in April. Sunflowers are the national flower of the Ukraine.

Bring your sunflower painting to the Artists gallery by 4pm Friday, April 8. The collected paintings will be taken to the Library at 9 am on Saturday morning April 9 to be hung. The wall is large enough to display 14 average size paintings, so please not too large. Paintings must be framed or have painted sides and be properly wired for hanging. Your painting can be new or previously done. There is no entry fee for these paintings. For tracking purposes, please use the entry form available on the EAA website at, <https://escondidoartassociation.com/forms-faq>

This will be a fund raiser for Ukraine relief. A Ukraine relief charity will be selected in advance and all funds from sales (minus the sales tax) will be donated to that charity. All sales will go through the Artists Gallery where sales tax will be collected.

The library does not allow pricing to be displayed. However, your painting will be assigned a number and listed in a pamphlet attached to the wall. Your name, phone # and pricing will be shown in the pamphlet.

This project is being coordinated by Byron Marler. Please let him know if you plan on participating. Contact him at marlerstorm1@gmail.com or phone 760-639-9186.
