## CONGRATULATIONS, EAA MEMBER OLGA LAVROVA

Solo Exhibition at the Encinitas City Hall.

We love our members and we love to promote their success! Today, our congratulations go out to member, Olga Lavrova for her solo exhibition at the Encinitas City Hall.

This special honor was a juried application process through the Encinitas City Arts Program last fall. A Visual Arts Committee selected several artists from a pool of applicants to exhibit at various public spaces in Encinitas in 2023. Olga was selected to exhibit at the City Hall from January through April. This program is free and open to artists from San Diego County. All sales proceeds go to the artist.

Support this Escondido Art Association member by attending the Reception on March 4th (5-8pm).

If you would like to learn more about this exhibition or future opportunities from the City of Encinitas Arts program, detailed information is here:

LOVE!

Paul Kobriger is a new addition to the EAA Judge line-up, bringing a fresh perspective with his FOCUS on detailed portraiture. Kobriger grew up skateboarding and drawing in a small town in Wisconsin before moving to San Diego for sunnier skies and maybe a job at a skate shop. His drawing took a backseat for nearly 20 years as he pursued a career in skateboarding that ultimately led him to the Marketing Director position at TransWorld SKATEboarding Magazine. Inspired by the talents of his new coworkers and friends, he decided to start a ballpoint pen sketch of his friend Wes Kremer. At age 39 after 20 years of not creating a single art piece, Paul rediscovered his talent and love of drawing. Paul's preferred medium is ballpoint pen on paper, but has also recently started working with charcoal and chalk.

We are excited and honored to welcome this amazing portrait artist! To learn more about Paul, visit his website at:

# "SHOW WEEK"

This is a reminder that from now on, we will have a SHOW WEEK after the Take-in. ALL of our major monthly events (Art Take-in, Judging, Demo, and Gallery Reception) will take place between the 1st Saturday Take-in and the 2nd Saturday Reception. This gives the Gallery time to build momentum for the rest of the month to focus on Sales.

So, your DEMO will be in SHOW WEEK. This streamlining of the schedule means that Demo will never take place after the Art Reception (no more 2nd Thursday's). This new schedule puts our DEMO right where it should be smack dab in the middle of SHOW WEEK!

# DID YOU KNOW?

## ART STORYTELLING

**The Escondido Art Association Gallery wants to HELP YOU sell your art!**

We have increased our Social Media presence on Instagram significantly in the last few months. Visit our handle on Instagram,

[@escondidoartassoc](https://www.instagram.com/escondidoartassoc)

<https://www.instagram.com/escondidoartassoc/>

You'll notice that we have begun promoting SALES of art on our Social Media by encouraging artists to do a little bit of what we call "Storytelling" for each piece of art. We find that serious Art Collectors WANT TO KNOW MORE. They want to understand WHO the artist really is, where they come from, how they FEEL about their art, and so much more! We find that we get a lot more social media "hits" (traction and engagement) by using photos, video, audio, interviews, and storytelling in our descriptions of art. People don't just want to see a pretty picture. They want to know WHY you painted it, your personal history, and how your artwork impacts the world!

Therefore, in the future when you submit artwork for 1st Saturday Take-in, PLEASE take the time to also send us a good photo (jpg) of the art, and include with it a small paragraph about the piece or yourself as an artist. It's also important to collectors to be able to FIND you. So, include your social media handle(s), your own website if you have one, contact info and

Did you know that Escondido Art Association has a NEWS BLOG with lots of exciting local artist news and Artist OPPORTUNITIES listed regularly? You can visit our News blog as often as you want by going to [www.escondidoartassociation.com/news](http://www.escondidoartassociation.com/news)

*We received an invitation from the Assistance League (AL) to decorate the windows of their store on East Valley Parkway. The Assistance League is a non-profit volunteer organization promoting community programs benefitting children.*

*Suzanne Nicolaisen agreed to undertake the task. The weather did not cooperate at first. Rain does not agree with outdoor painting, but finally toward the end of the year it was possible to get the job done! Two of the front windows are now decorated to the satisfaction of all.*

*Thank you, Suzanne!*

## ***NEW RULES!***

As we've learned over the years, being an all-volunteer organization is an exercise in creative juggling! We have so many great artists in our organization

bio. Please email directly to our Webmaster: [tokelibaker@gmail.com](mailto:tokelibaker@gmail.com) and put SALES AND STORYTELLING in the Subject Heading. We will work hard to promote on Social Media and make a special effort for those artist members who go the extra mile and send us their marketing links and Storytelling.

***PLEASE NOTE: This Sales promotion will be available only to Members who have submitted artwork for monthly exhibition AND agreed to sit gallery (or do some other kind of Volunteer work) at least one shift during the month when they have art in the gallery. Remember, Escondido Art Association is "an all-volunteer organization" as we say on our non-profit description, so that means we all need to pitch in together to make this Gallery and Artist Organization great!***

and want to find ways to get them more involved in EAA.

At your next Take-in, you will notice that we are offering **new ways** to get involved. We need your help in a variety of ways, not just gallery sitting (although that's SUPER important too!), and we are getting organized making sign-ups easier for you!

There are many ways to help: sit gallery, bring a refreshment to the reception, help the Reception Committee with Set up or Clean up, help the monthly Cleaning Crew to spiffy up the gallery. If you plan on submitting artwork for any of the monthly exhibitions, you must sign up for one of these duties OR pay at \$10 fee.

At your next Take-in, our Volunteer Coordinator, Dave Allen ([dallen135@sbcglobal.net](mailto:dallen135@sbcglobal.net)) will have a sign-up sheet or you can choose at Take-in to pay the \$10 fee.

## *PRESIDENT'S MESSAGE*

Dear Members and Friends,

Sometimes you fall in love with a person, and sometimes you fall in love with a place, and sometimes you fall in love with an idea, and sometimes you fall in love with all of that wrapped up into one little gallery on Grand Avenue. That's how I feel about the Escondido Art Association.

There are people here I've come to love. I walk into the gallery to sit and the place feels like home. I feel in my bones that the organization's mission of supporting artists is dear to my heart. It's all connected. I've fallen in love. In love with who we are and what we do for each other and the things we accomplish together! I hope you feel the same way about the Escondido Art Association and Gallery. I hope that this little gallery on Grand fills your heart as much as it does mine.

Happy Valentine's Day!

Warm regards,  
Tokeli Baker, President  
Escondido Art Association
