**The Celebration Exhibition will run
December 6 through January 5th in the
EAA Gallery located at 121 W. Grand
Avenue in Historic Downtown Escondido.**

Our December show will surely be a cause for Celebration with our very own beloved Ambassador as our Judge. As you know, December is traditionally a month without a Demo, and instead we host a wonderful Holiday party which we hope you will join us for.

We will be at EAA Gallery for this festive event at 4pm on the second Saturday of December, 12/9/2023. Please join us for a wonderful and fancy event and bring a goodie to share for our potluck.

Your December judge, Suzanne Nicolaisen is a wonderful local artist known to most of us and loved so many people! She is a longtime friend to the Escondido Art Association. Born in South Africa, lived in Switzerland, now residing in California, USA, Suzanne is a well-known face around Escondido. Life is her inspiration, and her work aims at beautifying and enriching lives and conveying messages of compassion. She often borrows ideas and motives from the universe, colors and forms from nature, people, and history.

YOUTH EDUCATION FUND

We are hoping to expand our Education Department and to offer better and greater scholarships and arts education programming to students free of charge. EAA wants to give back! It's something our organization has ALWAYS done, so as we move into our future we NEED YOUR HELP to help others. Please consider donating to our new YOUTH EDUCATION FUND. This Fundraising Campaign is strictly Education-related and an opportunity for us to grow our programs in arts education, programs that are already thriving like the annual Kids Kaleidoscope Program for kids K-High School and our High School Scholarship Program for High School Seniors. Please visit the EDUCATION PAGE of our website for more information on ALL of our educational programming for artists of ALL AGES.

Please remember that ALL levels of giving are helpful, large and small. It all adds up and WE APPRECIATE YOU! We appreciate your help with giving back to our Youth Education Fund; your donation is always tax deductible. Please click the Link below to give today!

Corporate Partnerships

The Escondido Art Association is growing by leaps and bounds (you may have noticed). And with that growth comes great responsibility to expand consciously. That is why the EAA is so proud to announce that we are growing into partnerships with local businesses! Our Corporate Partners program is a wonderful opportunity for businesses (both small and large) to gain valuable marketing presence with our loyal members through print, flyer, online, social media and gallery and social/community functions. Corporate Gifts can take the form of cash gifts or in-kind donations. Please take a

closer look at the partnership levels of giving and what each level gives back!

This will be a temporary option to choose either time slot until we can determine how to best serve our working and school communities with what best suits their schedules. Notice

Valorie's class will focus on Drawing Fundamentals, a skill set we ALL need to brush up on, no matter our medium. She will include many topics in the class including shading, composition, range and values of pencil lead, drawing images with realism.
