Capital Area Pregnancy Centers Baby Bottle Blast

Please support the Capital Area Pregnancy Centers by picking up a baby bottle on the Information Table today.

When you insert a check or fill the bottle with currency and coins, you are helping to minister to the many men, women and teens in the greater Harrisburg area. From free pregnancy tests and ultrasounds, maternity and baby clothes, furniture and diapers, as well as post-abortion counseling, all of these services are offered through this organization.

FELLOWSHIP LUNCHEON TODAY
PLEASE JOIN US!

Congratulations to Adam Granitz who graduated from the U. S. Navy Basic Enlisted Submarine School (BESS) on Friday, June 4th!

BESS prepares Sailors for the fleet by teaching them the basic theory behind the construction and operation of nuclear-powered submarines, including ship systems, organization, and safety.

We are proud of you Adam!

Emergency Love Offering for India

Below is Ghuna Kumar’s description of the situation and extreme needs in India as of May 11. Pictured is one of his Gospel Friends ministry pastors who died of COVID.

Our Official Board is asking all to consider a special love offering for Gospel Friends by May 23rd to help meet the desperate needs of India. May we all pray and give sacrificially as God leads each one.

“Please do pray for India. It is a hell here. People are dying like anything. Some 79 dead bodies were floating in river Ganges which is also being worshipped. Without Oxygen people are dying. No beds in hospital, Doctors are not available. Long queues in the cremation place. No firewood to cremate. There is total lock down. In spite of it in our State of Tamilnadu, 29,272 new cases of corona yesterday. In India over 400 thousand new cases in one day. Many hospitals do not have medicines, oxygen, Doctors and beds. People do not have jobs or money. So there is starvation deaths. We are trying to help some everyday and our resources are also exhausting. There is an alarming warning that third wave may hit India which might knock off 50% of the population which is around half a billion. We lost two Pastors namely Davidson and Yohanu, many many friends and full time God’s servants. 145 people live on our campus LIVING HOPE. Besides this about 300 pastors we have to take care of their needs in all over India. Just now the news was that in Goa 29 people died in one hospital lack of oxygen cylinders. The vaccines are not available. There is total chaos and confusion. We need your desperate prayers.” – Ghuna
May our Lord Jesus bless us with His presence as we worship Him together. We extend a warm welcome to any guests who have joined us for worship today! If you have no church home, we invite you to join us again each Sunday.

MISSION FIELD PRAYER & PRAISE NOTES

Pray for God’s protection and healing from Covid for Joel Kumar, who is on a ventilator in India.

Ettien & Kim Koffi - Bible Translator

Our warmest welcome to Ettien & Kim Koffi as they minister to us and report on the work of CATA: Anyi Literacy, Translation, & Training in Cote d’Ivoire.

This week, Dr. Koffi and the Shueys will be developing videotaped discipleship teaching sessions to apply Bible teachings in the Anyi
New Love family and friends,

Please continue to pray earnestly for Ghuna Kumar’s son Joel who is on a ventilator due to Covid. Joel is a primary leader in the Gospel Friends ministry and he and his wife Jenitha (who has recovered from Covid) have two children. Ghuna is asking us all to pray for a miracle of healing.

Before Joel, Jenitha and Persis (Joel’s sister) contracted Covid, we at New Love began to take a love offering to help Gospel Friends respond to the crisis with food, transportation to hospitals, oxygen, etc. Your loving response has been amazing! We have now raised over $16,000 to help meet these emergency needs! What an expression of sacrificial Christian love! Thank you all for your giving, and for your prayers for India and the Kumar family and Gospel Friends.

This Sunday is the start of a very special week in the life and mission ministry of New Love in Christ Church. Two of the mission ministries that we have supported for many years are combining their efforts in a special discipleship training effort. While these teachings with translation were intended to be done live in Africa like the first series, Covid restrictions precluded that. Video taping of key teachings by John and Kerry Shuey of KingdomQuest with translation by Ettien Koffi of CATA will take place on the new camera and equipment in our sanctuary all of next week, beginning at 2:00 p.m. on Sunday.

Dr. Koffi and his wife Kim will update us on their ministry in the combined adult/teen class in the Learning Center during the 9:15 S.S. hour as well as the 10:30 worship message time. (I will bring a meditation on these mission ministries in the 8:15 service.)

Please be in prayer for strength and endurance for John and Kerry and Etten as they have planned a very demanding schedule of taping thirty-six forty-five minute lessons on the Holy Spirit, the Character of a Disciple, Biblical Finances, Dependance and Hunger for God, Persisting in Your Calling, and much more.

We thank everyone who has agreed to bring lunches and dinners for the team to maximize their time for recording and preparation! Pray that all the technology functions properly to produce this teaching resource to bless Anyi believers and church body with growing maturity.

Let’s all commit to praying for God’s anointing on these teachings and for the team producing them from 2 – 6 p.m. this Sunday, June 6, and then from 9 a.m. to 6 p.m. each day through Friday, June 11.

Encourage and bless the Shueys and Koffis in their mission efforts by your presence this Sunday! And join them for our Fellowship Luncheon at noon before their ambitious week of serving the Lord in this unique way begins.

What a privilege it is for New Love to be a partner in fulfilling the will of Jesus to make disciples of every people group in this way!

I hope to see you Sunday! (If you can’t make it don’t miss the livestreamed service!)

Pastor Ross
