Please pray for the persecuted church in: Bahrain  
**Main Religion: Islam**

Despite being a majority Islamic country, Bahrain is relatively religiously tolerant due to the country’s international prominence in banking and trade. However the rulers are still known for consolidating power through repressive means. Persecution results from prohibitions against Christians proselytizing Muslims, restriction of religious expression and inhibited freedom of assembly. Leaving Islam is considered a betrayal of tribe and family members.

**GOOD MORNING AND WELCOME TO NEW LOVE IN CHRIST CHURCH!**

May our Lord Jesus bless us with His presence as we worship Him together. We extend a warm welcome to any guests who have joined us for worship today! If you have no church home, we invite you to join us again each Sunday.
