

George Ishman

Montgomery Site Coordinator

gishman@communitiesoftransformation.org

George Ishman was raised in Eutaw, Alabama, where he graduated from Greene County High School. At an early age he knew that he wanted to be an advocate for change and an inspiration for individuals that live in communities that face economic challenges. He received his undergraduate degree in English from Alabama State University in 2017, where he graduated Cum Laude. He obtained his Master of Science Degree, in Counseling and Psychology, from Troy University in 2021. Prior to becoming a site coordinator, he served as a facilitator for the Awaken class. George grounds him as a servant of the public and believes that though self-less love for and labor from, its inhabitants, communities can transform.
