Kinaya Griffin is a new member of our COT Team. She is serving as our Outreach Coordinator through Americorp. Kinaya is currently a student at the University of South Alabama where she is studying psychology. With her experience and knowledge developed with COT, she is striving to continue to help others go from striving to thriving!

Kinaya has served the community as a Debutante for the Strikers Inc doing community service, volunteer work as well as volunteering at University of Alabama at Birmingham where she worked as their Wellness Promotion Outreach Coordinator. Even though most of her contributions are behind the scenes, she takes pride in knowing that she is serving her purpose by helping change lives of those in need in the community. In her free time, she enjoys traveling, trying new restaurants and spending time with her family.
