All Saints Budget	
Through August 31, 2023	
Income:	\$ 690,002
Expenses:	<u>\$ 756,527</u>
Loss	\$ 66,525

TEAM WORLD VISION

All Saints has been walking, jogging and running with World Vision for more than a decade. Within the last 10 years we have raised \$408,256!!!!

Thanks to YOU, clean water is flowing for more than 8,165 people (enough to fill our sanctuary 23 times over).

Team World Vision is a ministry that inspires people to take on the challenge of running, run-walking or walking a half-marathon to provide life-giving clean water to communities around the world. The All Saints team along with local churches unite as one body through physical training, embarking on a spiritual journey to face fears in the name of Christ. The global water crisis affects 771 million people worldwide who lack access to clean water.

80% of our participants are first-timers, so you're in good company if you've never done a 5K before. People of all shapes, sizes, and ages are welcome to join in. Our couch to course training plan has gotten thousands across the finish line, and we'll be by your side every step of the way. We are looking for **40 people** (25% of the way there) to join our **10 year anniversary team**. UBUNTU, I am, because we are.

Your finish line is a new start line for these children, giving them the chance to live up to their God given potential.

Join the team TODAY!!

Scan the QR code for more information.

Thank you,

Kristin Boorse (please contact the church office for questions or meet us in the Narthex October 1st)
