10:00am	
SUNDAY, September 14	14th Sunday After Pentecost Holy Communion Worship Education Hour Culinary Team Meeting
9:00/11:00am 10:10am 10:10am	

Team World Vision is a ministry that inspires people to take on the challenge of running, run-walking or walking a half-marathon to provide life-giving clean water to communities around the world. The All Saints team along with local churches unite as one body through physical training, embarking on a spiritual journey to face fears in the name of Christ. The global water crisis affects 771 million people worldwide who lack access to clean water. Every day, more than 800 children under 5 die from diarrhea caused by contaminated water, poor sanitation, and unsafe hygiene practices.

Your finish line is a new start line for these children, giving them the chance to live up to their God given potential. "It is God who works in you to will and act in order to fulfill his good purpose." - Phillipians 2:13. Water changes the lives of children. They have better health, improved nutrition, and can go to school instead of spending the day fetching water.

We are not runners. We are world-changers that come in all shapes, sizes, ages, and backgrounds. Join us by the Baptismal font to join the team and change the world one step at a time!
