November 2024 - Year XLVI - Issue #521

Living Saints: Brandon Elzholtz

Can you tell me about your experience volunteering at All Saints?

My experience volunteering at All Saints, full of happiness, joy and learning. Everyone has been so supportive and have helped me learn everything I know today.

What motivated you to get involved in volunteer work at the church?

The thing that motivates me to volunteer is knowing what I am doing is making an impact. I don't care what I get but only in what other people will get from what I did.

What specific roles or responsibilities have you taken on as a volunteer?

The roles that I have held in this church are acolyte, usher, Sunday School Shepherd, Call Committee representative, Campformation counselor, and A/V technician.

How do you believe your volunteer work has impacted the community?

I believe that what I have done has helped kids become closer to God, people to have a more enjoyable service, and have a new Pastor.

How do you balance your volunteer commitments with other aspects of your life?

The way that I balance my volunteer and personal life is I make a schedule and make sure I do not do everything. Even though I want to do something if I signed up for something first then I do that.

What skills or qualities do you believe are important for someone volunteering in a church environment?

I think that the most important quality's that are needed are leadership so that you can take control, problem solving because things will go wrong, and patience so that you can stay calm.

How has volunteering at the church enriched your personal or spiritual growth?

It has shaped me as a person and what I want to do in my future. It has helped me also get more involved in the church and see God in different ways.

What do you hope to achieve or contribute through your continued volunteer work at the church?

I hope to be able to show youth the benefits of volunteering and also be able to see how they will grow in God in different ways. I also want to be able for people to remember me and what this church has done when I leave.

THANK YOU SCOUT TROOP 323

A Scouts work day was held Saturday October 5th.

Scout troop 323 was led by **Nathan Round** and a group of friends and parents in a very productive work day.

They cleaned up bushes around the neighboring property, the YO building, and removed some dead bushes in front of the Sanctuary.

Another group cleaned the ceiling light fixtures by the office and the 200 rooms. They also changed several lights in the fixtures. Another group strung two additional light strings by the Fellowship hall. Finally a general clean up and power washing in front of the Sanctuary was completed.

Thanks to Nathan for his leadership and for the scouts, friends, scout leaders, and parents for volunteering.

The Women by Kristin Hannah

"The Women" is the story of one woman gone to war, but it shines a light on all women who put themselves in harm's way and who's sacrifice and commitment to their country has too often been forgotten. A novel about deep friendships and bold patriotism, "The Women" is a richly drawn story with a memorable heroine whose courage and idealism under fire will come to define an era.

All Saints Day: Sunday November 3rd

One of our wonderful worship traditions is our annual celebration of All Saints Day on the first weekend in November. The ancient Festival of All Saints has a sense of reverence and mystery, and a depth of theological meaning:

“All Saints Sunday celebrates all the baptized people of God, on earth and in heaven, who make up the body of Christ. With thanksgiving we remember all the faithful departed, and we prayerfully name those All Saints members who have gone to their heavenly home in the past year. Scripture readings are filled with rich images of the eternal life promised to all the saints, and the holy meal is a foretaste of that great and promised heavenly feast where God will make all things new.”

You may honor the memory of your departed loved ones by writing their names on the green memorial cards. Those “In Memory” cards will be placed at the altar bearing those names on All Saints Sunday.

3rd Annual Build a Thanksgiving Meal Food Bags

It's that time of year where the Social Ministry Team are promoting **Fill the Bag! Thanksgiving Meals** for those with food insecurities. All Saints has partnered again this year with the West Valley Community Food Pantry to provide Thanksgiving meals. Last year, All Saints generously donated 123 bags and 109 gift cards. Our goal this year is 150 bags with grocery gift cards to purchase a turkey.

Each reusable bag comes with a list to fill your bag with the ingredients to cook a traditional Thanksgiving meal for a family with canned and dried foods which typically cost around \$40.00. Every bag in addition receives a \$20.00 grocery gift card to purchase a turkey and a handwritten Thanksgiving card written by you. Thrivent Financial has donated our reusable bags this year again. Can't fill a bag yourself? Consider partnering with another church member or group of people to do one together.

The West Valley Community Food Pantry is located on the campus of St. John's Lutheran Church at 51st Ave and Myrtle and is an emergency food pantry. In 2023, WVCFP helped feed 29,794 people. During a given month they feed close to 2,700 people including children, adults, and the homeless.

The West Valley Community Food Pantry is also a 501(c)3 organization and can receive tax credit donations (20786). If you prefer to donate a tax credit donation, please make your check out to: West Valley Community Food Pantry and list TAX CREDIT in the memo line. Thank you!

If you'd like to know more about the WVCFP or are in need yourself, please visit their website at www.westvalleycommunityfoodpantry.org to learn more.

Reusable bags will be available in the Narthex on Sundays October 27th and November 3rd. Please return your filled bag by Sunday, November 10th. Thrivent Financial has also provided a limited number of t-shirts for those who sponsor a Thanksgiving Bag.

If you have further questions, please contact Sarah Manzanares through the church office.

Lutheran Thrift Shop

10615 West Peoria Ave, Sun City
God's Work, Our Hands

The blessings God continually bestows upon the Lutheran Thrift Shop are never ending and amazing!

Each month, we ask ourselves "how did we get through another month?" We made it through COVID - down two-thirds of our help. We somehow get through every summer with a skeleton crew. We manage to keep a million dollar business running utilizing a group of senior volunteers! We've maintained a base of loyal customers who have continued to shop with us for more than 30 years. We have a huge community that donates their wonderful used goods throughout the years. And, best of all, we give away a boatload of grant money annually to worthy organizations in the west valley.

How could all this happen without the abundant blessings of God? It couldn't; it's just that simple. God has His hand in everything that happens at the LTS. In this season of Thanksgiving, we are all grateful for everyone who supports the mission of the Lutheran Thrift Shop and for the many blessings we receive from being a part of this awesome place. Maybe you'd benefit from being a part of this mission. Come in and check us out!

Also, now that the weather is cooler, we are open on the 3rd Thursday of each month from 5-7pm. Join us Nov. 21st, Dec. 19th, Jan. 16th, Feb. 20th, and March 20th.

Check out our [new website www.lutheranthrift.com](http://www.lutheranthrift.com) for more shop info, pictures and videos and follow us on [Facebook.com/westvalleylutheranthriftshop](https://www.facebook.com/westvalleylutheranthriftshop) for weekly sales and special events.

Faithfully Engaged in the Election Process

Bishop's Letter: October 2024

"But let justice roll down like waters, and righteousness like an ever-flowing stream." - Amos 5:24

As early voting begins in Arizona, and with early voting also beginning soon in Utah and Nevada, I want to reflect on the sacred responsibility we hold as citizens and people of faith. Our participation in the democratic process is not only a privilege but a duty - one that reflects our commitment to justice, peace, and the flourishing of all people.

Throughout this election year, we have spoken about the importance of staying engaged in fair elections. This engagement is a direct expression of our faith, rooted in the understanding that each person is a beloved child of God, deserving of dignity and respect. Our call as followers of Christ is to seek the common good, ensuring that our elections are conducted with integrity, fairness, and transparency.

In a time when division can feel overwhelming, we are reminded of our biblical call to love our neighbor as ourselves. Voting provides us with an opportunity to act on that love, making choices that uphold the values of justice, equity, and compassion in our communities.

As early voting begins, I encourage you to take time for prayerful reflection on the issues that are most important to you. Consider how your vote can contribute to shaping a future focused on hope and the well-being of all people. I also invite you to gather with others in your congregation and community to discuss the propositions and candidates. Together, we can engage thoughtfully and meaningfully with the initiatives on the ballot.

The Office of the Bishop staff has devoted particular attention to sharing resources in this election season. If you are living in Arizona, [LAMA created a guide to the 2024 Arizona Ballot Measures](#). We've also shared [important voting dates in Arizona, Nevada, and Utah in our calendar](#).

I also want to draw your attention to the [Church and Society resource page](#) on the Grand Canyon Synod website. This page is filled with valuable resources that explore important election issues, offer guidance on Christian nationalism, and provide tools for ensuring the safety and well-being of our congregations during these complex times. I encourage you to visit this page and share it with others in your community as we navigate this election season with faith and discernment.

I am grateful for the participation on our recent Conversation About Congregational Safety Zoom call. Dozens of congregational leaders joined us to address concerns about political violence and shared resources from both the FBI and the ELCA on Christian nationalism. We received excellent feedback from this conversation and gained even more resources to support our ongoing efforts to keep our communities safe. These discussions are vital as we continue to work toward creating secure spaces for all, especially during such a polarized time.

We believe that God listens to and answer our prayers. So with bold confidence we pray for our neighbors, our leaders, and for the systems that guide our nation. Let us pray:

*Gracious God, guide us as we take part in this election process.
Grant us wisdom, humility, and a heart for justice. May your spirit
of peace fill our communities as we seek to serve you and one
another. In your holy name, we pray. Amen.*

In Christ's service with you,
The Rev. Deborah K. Hutterer,
Bishop, Grand Canyon Synod of the ELCA
