operations. This night work will occur Monday through Friday. **It is advised to use an alternative route to avoid these long delays such as SR-91 and I-15 and the I-5.**

**Be advised**, you may experience long waits and delays due to construction operations. Please wait for the **designated pilot car** to escort you through the construction zone. Please obey all posted signs and traffic instructions, including the pilot escort car, as CHP will be on location and citing any offenders.
