WORK PLACE OF THE MONTH

As a member of SJPA we wanted to let you know and hopefully have you share with your employers and co-workers in our Work Place of the Month initiative.

The Board launched this platform in November 2023 as an initiative to increase SJPA membership by working within our own membership list. The results have been positive! We have experienced a 6% increase in only 3 months!

We respect that your time is valuable and jam-packed and you may not have the opportunity to share the benefits of SJPA with your co-workers such as our NJCP™ credential, the automatic National Federation Paralegal Association (NFPA) membership, SJPA CLE Dinner and Zoom meetings, etc.

So we've done the work for you!

Attached herein, is a sample of a past winner. If your workplace is selected this will be displayed/posted in a communal area in your office, and we will also send some SJPA swag if you have the space.

Please email your participation interest to
