GREAT JOB OPPORTUNITY!

Bob's will be carrying fabric at the Eubank store soon so we will need help with measuring and cutting. Additionally, we need assistance helping customers checking in and picking up their machines as well as selling sewing and vacuum supplies.

If you are interested please come in to the one of the stores and fill out an application. We are always looking for help at both stores.

BOTH STORES

MACHINE USAGE LESSONS

Our instructors are available during regular store hours to show you how to use your sewing machine. We cover threading, winding and inserting the bobbin, selecting stitches and cleaning/maintenance. Usage lessons are free and unlimited if the machine was purchased at Bob's.

You must register in advance for a usage lesson. Please call one of the stores to register.

If you did not buy your machine from Bob's, the cost for usage lessons is \$35 per hour and up, paid to the instructor, depending upon the complexity of your machine.

On the day of your lesson, bring your machine, power cord/foot control, instruction book and all the small accessories that came with your machine. Please call us if you have to cancel.

REMEMBER, WHEN YOU BUY FROM BOB'S

You also get:

- * FREE unlimited usage lessons
- * 90 Day exchange privilege (1 year for longarms)
- * Trade-in on your old machine
- * Warranty Service
- * Financing! Ask if we have a current special.

ALAMEDA STORE

SERGER CLUB

The Serger Club will meet at the Alameda location on the third Saturday, of every month (October 19th), from 10:00 to 12:00. The cost of each class is \$10.00 which must be prepaid. A supply list will be sent to participants via email.

Participants with all levels of serger experience and those who may be interested in learning about what sergers can do are encouraged to attend.

For the next 2 months the class will continue working on creating a beautiful place mat using different stitches and pretty threads.

Currently the class is full so if you are interested call and you will be put on our wait list.

LONGARM GROUP

Due to Balloon Fiesta traffic, there will be no meeting in October. You will have this month to work on using your rulers so you can show your work at the December meeting.

We are using Leoni West's rulers and classes. I will focus our class toward the longarm. If you need the kit, we have some available. Don't forget show-and-tells!

To join our group, please email Diane at bobssewnvac@gmail.com as soon as possible in order to be "in the know." There is no charge for this group and all longarm owners are welcome.

ALAMEDA STORE

BEGINNERS' SEWING CLASSES

Adult Beginners Sewing Classes will be offered at the Alameda Bob's Sewing and Vacuum Store on the third Tuesday and third Wednesday of the month. Classes will be available on an individual basis, by appointment only, for \$35/hour. Instructors Tammy Mendez and Roberta Ferran will work with clients to learn and practice basic sewing techniques including, but not limited to:

- * how to use a sewing machine
- * how to select sewing patterns
- * how to read and work with sewing patterns
- * how to prepare fabric
- * and how to accomplish basic sewing techniques such as buttonholes, zippers, sleeves, hems, facings, etc.

Participants are encouraged to use their own sewing machine, provided it's in good working condition, and must provide their own sewing equipment, supplies and materials. Individuals who do not have a machine can make arrangements with the instructor to borrow a machine during class time.

Bob's services new and used longarms from most manufacturers. Bob's sells new longarms from HandiQuilter, Bernina, Varsity and Janome. We are the premier dealer of longarm machines in New Mexico.

ALAMEDA STORE

EMBROIDERY CLUB

What: Participants will complete several fall leaf designs using Mylar

Where: Bob's Sewing & Vacuum Westside Classroom

When: Saturday, October 1, 2022
9:30 am to 12:30 pm

Registration: \$10 per person, plus supplies and materials.
Register at the front desk. Supply list and instructions will be emailed prior to class. You will need to bring your embroidery machine.

Embroidery Club will NOT meet in November.

ALAMEDA STORE

PROJECT LINUS

Another month is coming to an end and fall is working its way in. This is a time for us to think about family, big gatherings and wonderful scents coming from the kitchen. It is also a time to think about those who are in need. Last year, during the winter, our donations of blankets for newborns to high schoolers could not meet the demand. The thought of a child in need of a blanket to keep them warm and to comfort them was nothing less than heartbreaking. Our group at Bob's still remember that feeling as we approach this holiday season. We remember how sad it made us feel to know that we were not able to fill the requests. So we are working hard to increase our count of blankets which are made with love. Please join us to sew or come to the store on a sew day to request a kit to make at home. Help us be able to fill those winter requests.

Our next sew days are:

Friday October 14th

Sat. October 22nd

We sew from 9:00 am to 1:00pm

If you have a light machine bring it and any small tools you want. We have cutting boards, rotary cutters, irons and rulers. We have pre-packaged kits or fabric should you want to do your own design. If you bring a drink please make sure it is enclosed. Bring a friend or two with you, we always have room for more.

Any questions please contact Linda Crowden grammacrowden@gmail.com or 808-280-3619.

ALAMEDA STORE

BEGINNER'S QUILT BLOCK OF THE MONTH CLUB

Quilting fun will continue at Bob's Sewing & Vac Westside on the first Saturday of each month starting in November. Through the monthly "Quilt Block of the Month Club" members will be introduced to a different quilt block pattern and, with the guidance of Instructor Roberta Ferran, have the opportunity to complete a block of their own. Appropriate for beginners and intermediate quilter's, each class will offer instruction on basic piecing and quilting techniques; introduction to quilting tools and supplies; opportunity to learn a variety of block patterns; and opportunity to make new friends and learn from one another.

Classes will be held from 1:00 - 4:00 PM. Cost per class is \$10 and members will need to provide their own sewing machine, project materials and supplies.

Just in time for Christmas, the November 5 class will be spent making a "Wrapped Star Pillow" quilt top (17-inch). Call the Westside Store at 505-897-6743 **NO LATER THAN OCTOBER 21** to register (Payment can be made over the phone). Once fully registered, participants will receive the project instructions and supply list via email. Class will be limited to 15. See you November 5th!

Note there is no meeting in October.
