PROJECT LINUS

Project Linus – YOU make the difference!

Your talented hands and caring heart are needed to help a hurting child. Project Linus, named after the blanket-toting character in Charles Schultz's "Peanuts" comic strip, provides comfort through handmade blankets.

Project Linus is a volunteer, non-profit organization :

First, it is our mission to provide love, a sense of security, warmth and comfort to children who are seriously ill and traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteers "blanketeers".

Come and join us to fill this need. We meet twice a month, the second Friday and the fourth Saturday of every month. Bob's Sew and Vac, Alameda Store, is our valued sponsor and graciously houses our supplies and provides us a meeting place. We meet from 9:30 to 12:30/1:00. There is always room for everyone!
