# WEST STORE

## LONGARM GROUP

Bob's Longarm group will not meet in October. If you have been participating in the "Year of Feathers," I hope to see your sampler or quilt(s) at the November meeting -- Diane

## PROJECT LINUS

Project Linus needs your help. We depend upon donations of fabric, batting and gift cards to JoAnn's Fabric Store. In order for us to continue to make blankets and quilts for New Mexico's children we are asking for your assistance. If you had planned on cleaning out your stash we would love to help you by accepting fabric donations. We can use quilting cotton and flannel--no fleece please!

We will provide you with a receipt for your donation to use on your taxes, and can also pick up your donations to make it easier. If you can help us it would be greatly appreciated. Should you have any questions please contact Linda Crowden 808-280-3619.

We would love to have you join us on our sew days. We meet the second Friday and fourth Saturday each month at 9:30. We meet in Bob's (Westside) Classroom. If you have trouble with stairs we do have a chair lift. This is a terrific group and newcomers are always welcome.
